## EVERY MOTHER IS A WORKING MOTHER

When we are small they work hard to keep us fed, clean and dry.  
When we begin to talk they teach us what to say, how to pray,  
and never to lie.

When we begin to walk they work to keep us from trouble.  
When we're old enough to start school,  
a mother's work begins to double.

When we reach the teen years and want to be independent,  
a mother prays; walk with Jesus, and with His ways be content.  
Every expression of love shows she cares like no other;  
because every mother is a working mother.

Being a full-time mother is one of the highest salaried jobs... since the payment  
is pure LOVE — Mildred B. Vermont

A suburban mother's role is to deliver children obstetrically once, and by car  
forever after— Peter De Vries

“All that I am or ever hope to be, I owe to my angel Mother”— Abraham Lincoln

Mother is the name for god on the lips and hearts of all children— Brandon Lee

A Mother's love is the fuel that enables a normal human being to do the  
impossible— Marion C. Garretty

We never know the love of the parent until we become parents ourselves— Henry  
Ward Beecher

Mama exhorted her children at every opportunity to ‘jump at de sun.’ We might  
not land on the sun, but at least we would get off the ground— Zora Neale  
Hurston

You don't really understand human nature unless you know why a child on a  
merry-go-round will wave at his parents every time around – and why his  
parents will always wave back— William D. Tammeus

Mom, If I had a single flower for every time I think about you, I could walk  
forever in my garden— Attributed to Claudia Ghandi

In Service to our Lord,— *Rod Ellison, online bulletin digest*
